The Children's Trust Thrive by 5

Early Learning Career Center

NEW SCHOLARSHIP OPPORTUNITY!

The Discovery Source Online Trainings

The Children's Trust, in partnership with The Discovery Source, is offering Frame Their Learning and Calming Kit teacher development training for eligible educators currently employed in a DCF licensed facility, Family Childcare Home, public school or Head Start working with children 0-4 years old.

Our training and materials support Preschool teachers to efficiently implement previous knowledge of Pyramid Model and CLASS®. Strategies and materials will support appropriate behavior practices, and improve the performance of the Instructional Support indicators.

Materials include visual cues for Teachers to engage children in meaningful conversations and thoughtful questions, while increasing academic and emotional vocabulary (Math, Science & Emotional literacy). Included are two hands-on materials "Kits" that are the perfect tools to help teachers to succeed.

The Professional Development includes how to use and implement these teaching materials in the Classroom: They are the missing link to your success.

Virtual training – 4 hours
Follow up training- 2 hours

If your early learning program staff is interested in online training through The Discovery Source, please contact the Early Learning Career Center.
